WHEREAS, Nearly 150 state parks were shut down part-time or suffered deep service reductions because of budget cuts, and more park closure proposals and budget cuts are expected this year; and

WHEREAS, Proposition 21, The State Parks and Wildlife Conservation Trust Fund, would provide a stable, reliable and adequate source of funding for the state park system, for wildlife conservation and for increased and equitable access to those resources for all Californians; and

WHEREAS, Funding for the Trust Fund would come from an \$18 annual State Park Access Pass surcharge on all California cars, motorcycles and recreational vehicles that would be collected by the Department of Motor Vehicles as part of the annual vehicle license fee; and

WHEREAS, Every year, there are nearly 80 million visits to state parks, where the abundance of outdoor activities entices visitors to exercise and lead healthier lifestyles; and

WHEREAS, Parks contribute to public health by protecting forests and natural areas that are sources of clean air and water and by combating climate change by reducing greenhouse gases; and

WHEREAS, Parks protect the state's wide diversity of plants and animals, preserve an unparalleled collection of historic and cultural assets and provide exciting educational opportunities for young and old alike;
