PROJECT SURF CAMP SPONSORSHIP

Dear Community Friend,

Life brings challenges. It brings different challenges to different people. Project Surf Camp is an organization, based in Morro Bay, Ca. that brings the challenge and beauty of the ocean to people with special needs. We strive to bring our campers to the ocean and introduce surfing as a means of creating a healthy outlook on life and to foster independence.

Who is Project Surf Camp?

Project Surf Camp is a local 501(c)(3) charitable and educational, nonprofit organization designed specifically for individuals with special needs. Our hope is to introduce people to the water who would otherwise never receive such an opportunity. Our passion is to use the ocean to open the doorway to learning and to open the world of surfing up to those who otherwise would never see it, much less 'do' it.

What does Project Surf Camp do?

Project Surf Camp uses surfing, the beach, and other ocean activities as an educational modality to build self-confidence, self-esteem, and self-efficacy in individuals with special needs. We further provide opportunities to build social skills, improve physical fitness, develop healthy outlets for stress reduction, and foster independence through our group of volunteers and staff of specialists. These specialists provide consultation to our volunteers and intervention to our campers. Camper fees are minimal, with the remainder of the budget funded through private solicitations, grants, fundraisers and camp sponsorships.

How can you realistically make a difference in a child's life?

Project Surf Camp is a wonderful opportunity for local businesses and individuals to help change lives. Child sponsorship is an easy way to ensure that campers are able to continue enjoying the ocean. The breakdown of cost per child per camp is \$165.

Please fill out the attached form if you would like to sponsor a child or receive more information. Also, complete camps are open to corporate sponsorship (cost \$2000.00) as an incredible social project team building experience, not to mention the opportunity to have your business highlighted as a member of the Project Surf Camp team. You can support Project Surf Camp by sending a check to our address or using Pay Pal via our website.

Please contact PSC if you believe that your organization would be interested in sponsoring a camper or an entire camp. Your support will provide our campers a chance to have the Project Surf Camp experience and to be rewarded by the power of surfing and the ocean.

Thank you for your time,
The Project Surf Camp Board
